

Wi-Fi Alliance Adopter Membership Policy

Adopter members shall abide by the provisions of the Adopter Membership Agreement.

Wi-Fi Alliance Adopter members are entitled to:

- Access to final, approved documents, including Market Requirements Documents, Test Plans, Roadmaps, Research and Member Newsletters
- Access to Specifications free of charge
- Eligibility for participation in Alliance product/service/member showcases, as available
- Members-only discounts to worldwide industry events, trade shows, web casts and market research
- Notices of industry speaking opportunities
- Use of the “Wi-Fi Alliance Member” logo, as permitted by Wi-Fi Alliance guidelines and any additional specific terms that the Wi-Fi Alliance may impose
- Inclusion of company logo on Wi-Fi Alliance web site
- Non-voting participation in Regional Outreach Meetings, as available
- Non-voting participation in European Member Meetings, at which Annual General Meetings are held

At Wi-Fi Alliance Regional Outreach Meetings and Annual General Meetings, Adopter members shall abide by the following:

- Act as observers, not addressing the membership during the Annual General Meeting nor the Task Groups or Committees during their meetings
- Not disclose to the Wi-Fi Alliance or any of its members non-public information related to its company or its company's activities, including but not limited to contribution of intellectual property

Adopter members are not eligible to participate in any product or service certification program of the Wi-Fi Alliance.
